WHEN HER BACK ACHES

A Woman Finds All Her Energy and Ambition Slipping Away.

Great Bend women know how the aches and pains that often come when the kidneys fail make life a burden. Back ache, hip pains, headaches, dizzy spells, distressing urinary troubles, are frequent indications of weak kidneys and should be checked in time. Doan's Kidney Pills are for the kidneys only. They attack kidney diseases by striking at the cause. Here's proof of their merit in a Great Bend woman's words:

Mrs. A. Rothgarn, 1421 Twelfth St., Great Bend, Kans., says: "I suffered a great deal from backache, in fact, it was almost constant. I also had pains in my head when I stooped. I became dizzy and I often noticed that the kidney secretions were unusual. Since using Doan's Kidney Pills, procured from the A. & A. Drug Co., I have felt much better in every way. I gladly confirm my former endorsement of Doan's Kidney Pills."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Rothgarn had. Foster-McIlburn Co., Propn., Buffalo, N. Y.

Delicious!—Cooked by Electricity

"This is the finest steak I ever tasted." "Why, Harry, it's my 'Hughes 33.' I find new things about it every day. Now this steak is broiled on top with live, radiant heat. The juices can't run off before the surface is seared. The broiler slips right out and I turn it over. Then when it is done, I turn off the current and it keeps nice and hot in the oven till you get home."

Hughes Electric Ranges

The Hughes Electric Range, Mr. Master-of-the-House, not only saves hours of work each day—not only brings a cool, clean, sanitary kitchen, but adds the perfect touch to cooking.

The heat is uniform—always the same so it cooks evenly and thoroughly. It really roasts and broils meats where other ranges fail. The live, red heat by direct contact sears the surface and retains the flavor.

Remember that a Hughes Range preserves health and flavor. The foods are broiled, not the kitchen and the cook. The fire is absolutely selfless. And the kitchen is so cool and pleasant as the parlor.

Come into our office and see this range. We will give you facts that will attract you.
